

# Login to Schoology

Go to [app.schoology.com](https://app.schoology.com)

Type username and password.

Select the correct school. Our schools have a green arrow beside the name. For some reason, Tarrant Elementary comes up first. But, Tarrant Elementary School (with the green arrow – see second screenshot below) is the correct school. If the wrong school is selected, the username and password will not work.

The screenshot shows the Schoology login interface. At the top is a blue header with the Schoology logo. Below it is a white box titled "Sign in to Schoology" with the instruction "All fields are required". There are two input fields: "Email or Username" and "Password". A dropdown menu is open below the "Email or Username" field, showing a list of schools. The first school, "Tarrant Elementary", is highlighted in blue. Below it are several other schools, including "Tarrant Middle School", "Tarrant Intermediate School", and "Tarrant County College - Northwest Campus". The last two schools have a green arrow icon next to their names, indicating they are the correct schools to select. At the bottom of the page, there is a footer with the text "Schoology © 2020 · PRIVACY POLICY · Terms of Use ·".
